----cted sir,

I beg to bring the following few lines for your sympathetic consideration and favourable orders.

I was appointed as a Graduate Surveyor in the Mysore P.W.D. in May 1941 and served in the K.R.S. Division till March 1945. Due to certain domestic worries, I was forced to submit my resignation , but I now realise that I should not have taken up such a hasty step since the worries have been multipled by the fact that my old parents who have made their home here for reasons of health, have to be often looked up and their requirements attended to personally whatever may be distance at which I might be placed. Moreover having put in four years of service in the department and given a good account of myself in the work I was entrusted with I feel that my experience would be of better utlity if I continue to work and earn a name in the same department.

I therefore pray that you may kindly reinstate me giving benefit of my past service.

I beg to remain,
Your most obedient servant,
K.V. Sundararaja Iyengar.
